### **Debbie Koehn**

*Assistant Superintendent, Curriculum and Instruction  
Manages design and implementation of all curriculum  
and instruction in the district.*

Dr. Koehn serves as the district's top manager of curriculum and instruction. She holds a Bachelor of Science in Childhood Development, a Master of Arts Degree in Reading, and a Doctorate of Education Degree in Educational Administration. In addition to numerous teaching certifications and experience in elementary and secondary teaching and administration, Dr. Koehn holds Principal and Superintendent certifications in the State of Texas. Dr. Koehn uses her experience as a facilitator and director of short and long-term projects that ultimately enable academic success of students. Some of the resources and programs she administers include online library resources, best practices in teaching and resources, and continuous improvement in educational methods.
