**Mike Singleton**

*Chief Financial Officer/Operations*

*Manages the district's financial and operational functions, including cash, debt, investment, and budgeting, and supervision of Risk Management, Child Nutrition, and Transportation departments and the Print Shop.*

Mike Singleton is a Certified Public Accountant and is a Registered Texas School Business Administrator. He joined the district in February, 2003, and has helped the district achieve outstanding financial performance and reporting. He holds a Bachelor's degree in Business Administration from Abilene Christian University, and has worked over 12 years in public accounting. With over 19 years in public school expertise, Mr. Singleton is known for his management and communication skills in administering the district's finances. Through his leadership, the district has been awarded "Superior Achievement" by the Texas FIRST financial accountability rating system.
