

Greg Carver, Executive Director of Facilities Planning and Construction, joined Rockwall ISD in February, 2008, bringing a vast assortment of knowledge, skills, and experiences with him from his work in previous fast-growth districts. Prior to coming to Rockwall, Greg held the position of Executive Director of Maintenance and Operations in the following districts: Katy ISD, McKinney ISD, and Richardson ISD. He served as Assistant Director of Maintenance and Operations in Irving ISD. In addition to his work in school districts, Greg owned and led his own contracting businesses, served as the Facilities Manager for Neiman Marcus, held the positions of Educational Manager and Director of Sales and Operations for Service Master/ARAMARK, worked for Kansas Farmers Insurance, and served in the US Navy.

Greg's broad-based background has prepared him to work with large bond projects, manage substantial budgets, and to interact with a variety of personnel on a daily basis. In his current position as Executive Director of Facilities Planning and Construction, Greg's responsibilities include overseeing land acquisitions, facility designs, new construction, and renovations. In addition, he oversees the District's Maintenance, Custodial Operations, Environmental/Energy and Grounds Departments.

Greg is currently a member of Texas Association of School Business Officials (TASBO) and the Council of Educational Facilities Planners International (CEFPI).
