

RISD School-Related Event Protocol

We are excited to host the 2017 RHHS Prom on May 20th, at the Belo Mansion in Dallas and immediately afterward, the RHHS After-Prom celebration at the Rockwall Shenaniganz. As with every district and school event, we look forward to providing a safe and enjoyable experience for all students. Thus, the possession and consumption of alcohol and other drugs by high school students, particularly at or before these social functions, is always of deep concern. Under no circumstances, will the Rockwall Independent School District (“RISD” or “District”) and/or Rockwall-Heath High School allow any of these memorable occasions to be marred by students under the influence of alcohol or drugs. Of utmost concern to the District and to our school is the health and safety of all our students at these events.

RISD Board Policies outline the District’s restrictions regarding the possession or use of alcohol or drugs at school-sponsored or school-related functions (e.g., homecoming, prom, and after-prom). Depending on the nature of the violation, a student could be expelled or placed in a disciplinary alternative education setting (“DAEP”). For all student attendees, mature and responsible behavior is expected. Every student and parent should realize that privileges, such as participation in extracurricular and school-sponsored activities, including graduation, may be forfeited if a student violates District policy regarding the use of alcohol or drugs.

Late arrivals to the Prom or After-Prom will not be admitted. Students may not arrive after 9 p.m. for prom and 1:30 a.m. for after prom.

If your child plans to attend the RHHS Prom and/or After-Prom, we ask that both you and your child sign this form below to indicate your understanding of this protocol as well as your commitment to ensuring that this dance and after party will both be safe and enjoyable experiences for all students. In addition, your child’s guest must also comply with these rules. Again, this protocol is intended to protect all our children from harm and to avoid future disappointment.

My signature below indicates that I understand and agree to comply with the procedures set forth in the District’s school-related event protocol and policies.
