

RISD School-Related Event Protocol

We are excited to host the 2019 RHS Prom on Saturday, May 11th, at Union Station. As with every district and school event, we look forward to providing a safe and enjoyable experience for all students. Thus, the possession and consumption of alcohol and other drugs by high school students, particularly at or before these social functions, is always of deep concern. Under no circumstances, will the Rockwall Independent School District (“RISD” or “District”) and/or Rockwall High School allow any of these memorable occasions to be marred by students under the influence of alcohol or illegal drugs. Of utmost concern to the District and to our school is the health and safety of all our students at these events.

RISD Board Policies outline the District’s restrictions regarding the possession or use of alcohol or illegal drugs at school-sponsored or school-related functions (e.g., homecoming, dances, and prom). Depending on the nature of the violation, a student could be expelled or placed in a disciplinary alternative education setting (“DAEP”). For all student attendees, mature and responsible behavior is expected. Every student and parent should realize that privileges, such as participation in extracurricular and school-sponsored activities, including graduation, may be forfeited if a student violates District policy regarding the use of alcohol or illegal drugs.

If your child plans to attend Prom 2019 we ask that both you and your child sign this form below to indicate your understanding of this protocol as well as your commitment to ensuring that this dance will be a safe and enjoyable experience for all students. In addition, your child’s guest must also comply with these rules. Again, this protocol is intended to protect all our children from harm and to avoid future disappointment.

.....
“WARNING strobe lights operate as part of the effects on the premises during the dance.”

My signature below indicates that I understand and agree to comply with the procedures set forth in the District’s school-related event protocol and policies. I am also aware strobe lights will be operated as part of the effects on the premises during the dance.
